[Fr Matthew's Weekly Video Message](#)

Hello from my home to yours, peace be with you.

Here in the Sacred Heart Church foyer is the crib, the crib that is empty of the baby Jesus.

We have Mary & Joseph, the holy family, and some shepherds and the animals.

They're waiting and we've been waiting too for these days to come.

This weekend is the fourth Sunday of Advent and Mary is visited by the Angel Gabriel and she's told of the things that are to come. As we gather and prepare ourselves for this Christmas, we remember all that has happened. We too have been waiting, waiting it seems all year for things to get back to normal. Perhaps the normal is to simply remember our families, especially at this time when we gather and remember all those who are dear to us, our loved ones, and we give thanks to God for them.

Thank you to all those members of our community on the Cap Coast who have strived to reach out and to be present and to connect with so many in certainly difficult circumstances. To our office staff, Vanessa and Andrea, thank you for the gift that you have been in helping people to reconnect, to all the members of our maintenance group, people helping online, connecting people, to the Leadership Group and Finance Committee, those that clean our church, thank you. To all the people who have been and begun to reach out in our communities to those that aren't able to come, thank you. To all that gather in our community and in our parish family thank you for the gift that you have been.

The waiting for the celebration of Christmas is soon to be upon us and as you remember and give thanks to God for the blessings of your family may The Holy Family touch all our lives. As the Angel Gabriel says to Mary 'do not be afraid' may we too heed those words and reach out to each other as we recognise that gift that each of our families are to us.

God bless. Safe travelling to all those who are travelling and thank you to all the members of our community and to all our Parish. From my home to yours, Peace be with you & God Bless. Merry Christmas.

Fr Matthew
