What is a Columbarium?

A columbarium is a wall of niches to hold the ashes of our loved ones. The Capricorn Coast Parish has built a Columbarium in the grounds of the Sacred Heart Church, Yeppoon. It has been constructed for the reverent use to hold the ashes of human remains of parishioners and their family members.

Internment of Ashes

At the completion of the funeral service, the body is cremated. A short time later the Crematorium will contact the family and advise them that the ashes are available for collection. The family will then contact our Parish to arrange final internment of the ashes in the Columbarium.

Pricing

The Fee payable on approval of application is \$1265 (Inc GST). This includes an inscribed plaque, placing of the ashes and sealing of the niche.

Memorial Plaque is \$440 (Inc GST) this includes inscription and placement on the wall.

Reservation of a Niche

The Applicant has the option of reserving a niche for intended use by either themselves or others. A niche may be reserved by either full payment of the fee \$1265 or a \$550 deposit.

The balance is paid at the time of use.

In all cases, the application process must receive approval of the Parish prior to the interment of ashes.

Plaque Design-for Niche or Memorial

The Plaques for the Columbarium will be of standard design and provided by the Parish. The words and symbols on the plaque will be in accordance with guidelines provided by the parish.

The cost of the plaque and inscription is included in the overall fee.
